A Gift...

To the Emporia Public Library in honor or in memory of someone you love perpetuates the memory of the deceased or gives recognition to a friend, relative or loved one. The gift, in essence, becomes a “living memorial” that will always be appreciated and cherished by Emporians as it is circulated from one person to another.

When your gift or memorial contribution is received, an acknowledgement note will be sent to the family of the person memorialized or to the person you have chosen to honor and recognize. The amount of your gift is confidential and is never mentioned.

An attractive bookplate will be placed in the front of each book indicating to whom the book is dedicated and the name of the donor.

Your contributions are a beautiful way to express your love and respect for someone special. For more information, contact the Emporia Public Library, 340-6462.

Emporia Public Library

The Emporia Public Library is the oldest library in the State of Kansas. Emporia's library has grown with the city. Today, as then, the library is a vital part of the City of Emporia. Emporians are proud to have a library with a strong heritage; a library that has served their community without interruption since 1869.

The library's gift and memorial program was established in the 1960s. Community members have donated funds to honor or remember special events in their lives, such as marriages, births, anniversaries or deaths. The memorial book program enables the library to purchase many extra items of high quality.
